STRAP-ALL™ ONE-INCH STRAPS

Kinedyne offers a full line of one-inch ratchet and utility straps. These versatile tie-downs can be used on pick-up trucks, utility trailers, car top racks, boat trailers or anywhere a strong secure tie-down is needed. All one-inch straps are easy to use and have the same quality and durability features of Kinedyne's heavy duty tie-downs used on flatbed and van trailers. Offered bulk packed or individually packed in vinyl display bag with Strap-All™ brand header card.
